

SOLVENTS & THINNERS

Diggers Wax & Grease Remover

DESCRIPTION

Diggers Wax & Grease Remover is a highly effective surface preparation treatment which effectively removes wax, grease, polish, oil, tar, grime, glue and most other contaminants prior to sanding and finishing.

TYPICAL USES

- Pre-painting surface cleaner
- Heavy duty cleaning solvent
- Effectively removes wax, gum/ sticker residual from windows, carpet, furniture and timber surfaces
- Aids in the removal of silicone

FEATURES

- Professional finish in auto environments
- Allows paint to bond effectively to the surface
- Non residual
- Can be used on existing paint surfaces

APPLICATION

For Vehicle Surface Preparation

1. Use direct from the bottle. Saturate a lint free cloth and wipe in one direction to remove containments from exterior paintwork. Use a clean part of the cloth for each wipe. For vertical surfaces start at the top and work downwards.
2. Use before and after sanding as well as prior to painting.

For Removing Wax From Timber Surfaces

1. Use undiluted to remove wax from timber surfaces. Always test product on a small inconspicuous area first.

SAFETY

Wear suitable protective clothing, gloves and eye / face protection when using this product.

Typical Characteristics

Appearance.....colourless liquid
Specific Gravity..... typical 0.76
Flash Point..... -30°C
Boiling Point..... 50-200°C
Flammability Limit..... 1–7.5%
