

SOLVENTS / PENETRANTS – LOW ODOUR

Recosol 175

DESCRIPTION

Recosol 175 is a readily biodegradable, specialty oleo fluid, which can replace Diesel in cold mix asphalt formulations.

FEATURES

A clear, water white, low odour liquid that is pleasant to use for applicators.

Highly refined product with a high flash point for improved safety in use.

Low volatility ensures minimal evaporation losses.

Proven replacement for Diesel in cold mix asphalt.

Biodegradability – **Recosol 175** is classed as readily biodegradable.

Safety – **Recosol 175** has a high flash point.

PACKAGING

Recosol 175 is available in IBCs (1000 litre bulk containers).

SAFETY

Please consult the SDS on **Recosol 175** before use.

The information and recommendations contained herein are based on data believed to be correct at this time. However, no guarantee of any kind, expressed or implied is made with respect to the information contained herein.

PRODUCT CODE 16291

Typical Characteristics

Specific Gravity.....	0.860
Flash Point (open cup).....	>160°C
Boiling Range	>300°C
Solubility in water.....	Insoluble
