

SOLVENTS / PENETRANTS

Recosol 2 Pack Thinners

DESCRIPTION

A premium quality, medium-to-fast drying thinner specifically formulated for thinning 2-pack polyurethane coatings. Broad solvency, graduated boiling range and powerful tail solvents combine to give maximum gloss.

FEATURES

Clear, bright fluid with a high solvency to reduce all solvent borne paints.
A high quality product that leaves a smooth, attractive, high gloss finish.
A proven, cost-effective 2-pack thinner.

Solvency – **Recosol 2 Pack Thinners** has excellent solvency for all 2-pack paints. Whilst originally formulated for 2-pack systems it is also suitable for thinning many other paints

High Gloss Finish – **Recosol 2 Pack Thinners** controlled evaporation and powerful tail solvents increases levelling, allowing the coating to achieve maximum gloss.

PACKAGING

Recosol 2 Pack Thinners is available in IBCs (1500 litre bulk containers), drums and 20 litre containers.

SAFETY

Please consult the MSDS on **Recosol 2 Pack Thinners** before use.
Recosol 2 Pack Thinners is flammable. Avoid inhalation of vapour and use in a well ventilated area.

The information and recommendations contained herein are based on data believed to be correct at this time. However, no guarantee of any kind, expressed or implied is made with respect to the information contained herein.

Typical Characteristics

Specific Gravity.....0.88
Flash Point (open cup).....23°C
Boiling Range 100–160°C
