

Recosol Base Coat Thinner

DESCRIPTION

Premium high end paint thinner for automotive and protective base coat paints. The broad solvency and graduated boiling range renders **Recosol Base Coat Thinner** ideal for use in automotive paint, panel workshops and base coat protective applications as a thinner for base coat paints.

FEATURES

Clear bright fluid with a broad range of solvency to reduce most automotive and protective base coat paints.

A high quality product that leaves a smooth and even finish.

Solvency – **Recosol Base Coat Thinner** has excellent solvency for most base coat paints.

Rapid Drying – **Recosol Base Coat Thinner** dries rapidly to improve efficiencies.

Quality – **Recosol Base Coat Thinner** helps provide a high-quality paintable surface finish.

PACKAGING

Recosol Base Coat Thinner is available in 20 litre containers.
