

# Recosol Universal Thinner

## DESCRIPTION

**Recosol Universal Thinner** is ideal for applications where a universal paint thinner is recommended. The broad solvency and graduated boiling range renders **Recosol Universal Thinner** ideal for use in etch primers, single pack primers, enamels, nitrocellulose and undercoats.

## FEATURES

Clear bright fluid with a broad range of solvency to reduce most solvent based paints.

Provides a smooth flat even finish.

**Solvency** – **Recosol Universal Thinner** has excellent solvency for most solvent based paints.

**Rapid Drying** – **Recosol Universal Thinner** dries rapidly to improve efficiencies.

**Quality** – **Recosol Universal Thinner** helps provide a high-quality paintable surface finish.

## PACKAGING

**Recosol Universal Thinner** is available in drums and 60 and 20 litre containers.

## SAFETY

Please consult the MSDS on **Recosol Universal Thinner** before use.

The information and recommendations contained herein are based on data believed to be correct at this time. However, no guarantee of any kind, expressed or implied is made with respect to the information contained herein.

### Typical Characteristics

Specific Gravity.....0.84  
Flash Point.....-4°C  
Boiling Range .....75-145°C
