Dear Valued Customer,

Huntsman Performance Products Division Announces Recochem Inc as Australia & New Zealand Distributor

Huntsman Corporation Australia Pty Ltd and Recochem Inc. are pleased to announce that from the 14th of March 2014, Recochem Inc. has been appointed Huntsman Performance Products Distributor focussing on the Industrial & Institutional and Coatings markets as well as some other markets in Australia and New Zealand.

Recochem Inc. welcomes the opportunity to provide the supply, service, and technical support for Huntsman Performance Products' range of locally manufactured as well as imported products to the ANZ market. This includes the TERIC[®], HYDRAPOL[®] and JEFFAMINE[®] products amongst the extensive Huntsman range.

Recochem Inc. has sales, technical and customer service staff, warehousing and logistics capabilities throughout Australia and New Zealand and are a fully ISO9000 and TS16949 quality assurance accredited organisation. Recochem Inc has over 180 employees in Australia and New Zealand and has been in business for over 65 years with operations world-wide.

Huntsman Corporation is a publicly traded global manufacturer and marketer of differentiated chemicals with 2012 revenues of over \$11 billion. Our chemical products number in the thousands and are sold worldwide to manufacturers serving a broad and diverse range of consumer and industrial end markets. We operate more than 75 manufacturing and R&D facilities in over 30 countries and employ approximately 12,000 associates within our 5 distinct business divisions.

Can you please communicate this message to the key people in your teams. Recochem Inc and Huntsman representatives will be in contact with you throughout February and March to explain the details of our new partnership and to ensure we understand your requirements as well as work towards fulfilling your supply needs.

If you would like to contact either Recochem Inc or Huntsman prior to our approach we would be excited to hear from you. Contact details for Australia and New Zealand are outlined below.
