Fix your leaking shower without removing the tiles!

Diggers ShowerCoat is an invisible silicone based water repellent that soaks into hairline cracks, porous tiles and grout to seal tiles without making them slippery.

PRODUCT FEATURES

- Seals new showers and stops existing showers from leaking.
- Penetrates into hairline cracks, grout and porous tiles for long lasting protection.
- Dries clear - will not discolour tiles or grout.
- Quick and easy to apply by brush.
- Suitable for kitchen splash backs, showers, toilets and all other wet areas.
- Enough to cover TWO showers (16m²).

TIP: If your grout changes colour when wet it's time for a recoat!
